

Erratum Notice

BF017257 - BTEC First Certificate and Diploma in Applied Science

On page 8 of the published specification (BF017257), the paragraph describing the structure of the BTEC First Diploma in Applied Science should read as follows:

Edexcel Level 2 BTEC First Diploma in Applied Science

The Edexcel Level 2 BTEC First Diploma in Applied Science consists of two core units and four optional units that provide a combined total of 360 guided learning hours (GLH) for the completed qualification.
